To Whom It May Concern,

My name is Samantha, and I am writing to apply for one of the Teacher On Call (TTOC) positions available in **[Insert School/District]**. I am currently completing the Bachelor of Education program focusing on Elementary years at Thompson Rivers University. I will be graduating with my BC Teachers Qualification in April 2023. All of my teaching qualifications will be submitted upon graduation.

My most recent teaching in Canada has been my teaching practicums within the Kamloops school district where I gained experience in teaching grades 2 through 5, with my final certification practicum in Kindergarten. My previous teaching took place abroad in Guatemala and Vietnam, where I taught English Language Learners of varied ages, as well as primary students ranging from Kindergarten to middle school. I am also comfortable and qualified to teach within the district's high schools as I have teachable subjects in history and social studies. With all of this experience, I am confident in my ability to contribute to the success of the students within the **[Insert City]** school district.

Thank you for considering my application for one of the TTOC positions within the **[Insert City]** district. I am excited to gain the opportunity to contribute to the success of the students within your schools, and look forward to discussing my qualifications with you further.

Sincerely,

Samantha N. Sipos
